Hiring Insights & Talent acquisition

Helping you find the right person the first time

Full Behavioral, Motivational, and HVP Insight: This includes Behavioral, Motivational, and Axiological insights. This involves personal decision making patterns and an overview of the critical thinking set. This includes the world-view and emotional framework and how it affects decision making, role awareness, and self-direction. This includes a personal *interview* with the candidate and an overview with the hiring manager. This uncovers:

- Communication style
- Work style including pace and conflict response type
- Empathy insights
- Practical Thinking and Goal orientation
- Systemic Thinking (structured, rules-based, rigid, etc.)
- Self-Esteem levels
- Role Awareness
- Self-Direction and Goal Directedness
- Emotional Intensities and behavioral Orientations
- Cultural Fit

Investment per candidate: \$525.00

Behavioral, Motivational, Axiological Analysis

See individuals on page 1.

Onsite Behavioral Team Workshop

All Team Full Level Analysis and Onsite Workshop

Full Axiological Executive Summaries including Behavioral Analysis, Workplace Motivators, and Personal Debriefs: This full analysis uncovers the team's attitudes, values, behavioral and communication styles, and critical thinking patterns.

This allows for engagement, Q&A, and effective strategies for behavioral synergy. *(Full personal debriefings included if less than 10 people)*

This is an on or off-site gathering to promote and understand behavioral differences and brain types. Understanding how we differ and embracing the differences makes all the difference!

Investment: \$10,000.00 for the onsite plus travel.

Executives, Partners, C-Level leaders

Executive Behavioral Search

Executive/Managerial Recruiting and Behavioral Search

28% Respondents 1st Annual Salary *(Unless negotiated lower)*

Includes ~ Background check, Sex offense, Credit check, and reference checks.

All searches are under contract for each individual search - *request a Hiring Insights Search Outline*. This includes a 90-day guarantee and on-call status for the first 30 days.
